## Section VII – Resale of Inventory Stock to Customers

# Table of Contents

A	Introduction	3
B	Material and Supplies Qualifying for Purchase	3
C	Warranty	3
D	Payments	4

## **A. Introduction**

The Plant Board does not normally sell materials and supplies to the general-public. However, in certain cases and emergencies, items may be purchased from the Plant Board.

## **B. Material and Supplies Qualifying for Purchase**

### **1. Specific Materials and Supplies**

The sale of specific material and supplies are addressed in each department's section of the Rules & Regulations under Rates & Charges.

### **2. Miscellaneous Materials and Supplies**

Contractors and/or the general public may purchase material and supplies from the Plant Board after it has been determined that an emergency exists and/or the item requested for purchase is not readily available in area supply houses. A 40% handling charge shall be added to the current cost of the material. The 40% handling charge will not apply to the following:

- a. Unless otherwise agreed City, County, and State Government may purchase material and supplies at the current cost.
- b. A customer may request a Metal Oxide Valve (MOV) high tech secondary lighting arrestor to be installed at their house rather than the Plant Board furnished gap (standard) arrestor. The customer will purchase the (MOV) arrestor at the current cost. There shall be no labor charge for the installation of either arrestor.
- c. A "Water Loading Station" customer may purchase hose and connectors for use at the loading station at the current cost of the material.
- d. Contractors may purchase heavy-duty water vault covers required by Plant Board specifications at the current cost of the cover.
- e. Contractors and homeowners may purchase CATV related items to pre-wire new homes or upgrade existing homes as per Plant Board specifications. A 20% overhead and handling charge shall be added to the current cost of the material.

## **C. Warranty**

Materials purchased will be sold on an as is basis.

## **D. Payments**

1. Businesses, Contractors and Government Agencies may charge or pay by cash or check.
2. The Plant Board will invoice those who have an account and charge the material.
3. Credit Cards are not accepted.
4. State Sales Tax will be added unless they are tax exempt.
5. Individuals picking up material shall pay by cash or check.
