

a community development program from FPB

The Round Up for Change program offers FPB customers the opportunity to round up their bill to the next highest dollar. The difference will be contributed to Bluegrass Community Action Partnership's Winter Care funds, which are available to those most in need to pay utility bills for winter services. The pennies you contribute each month to Round Up for Change, when combined with the pennies of other customers, could change lives.

Customer Information (Please Print)

Note: Fields labeled in teal are required.
